"Joy to the World" - BEING PART OF THE AUDIENCE

We want this show to be a fun & rewarding experience for all. Performers will be allowed to sit out in the auditorium during the show while following the required guidelines;

1. Sit in their assigned section.
2. Wear a cover-up.
3. Remain quiet when sitting in the audience.
4. Remember to go back stage "5" numbers prior to each of his/her dances.
5. Due to their young age, one parent of Little Tykes & Tiny Tots students will be required to pre purchase a reserved ticket to sit with their child in the performers section.

LEND A HELPING HAND IF YOU CAN!

We are always very grateful to those parents that are willing to help out during the show. If we can count on you please let us know. **Class Parents** are needed to help keep the entire group in the proper waiting station back stage just prior to going on stage. All other parents will be asked to leave the back stage area. Sign-ups will be accepted & posted at the reception desk. Please notice all other areas of help needed when signing up!

STAGE MAKE-UP & HAIRDO'S

Let this be a time, that make-up & dressing up is part of the fun!

When the bright lights come on, and you are not wearing enough blush & lip stick, you'll tend to get a washed out look. We want to remind you that lip stick should be bright in color and the blush should be exaggerated. Eye make-up can be used as well, if desired. Hair should be pulled out of the face, and always in a bun for all dancers. It looks best to have all bangs combed back. (This is done best when the hair is damp and some styling gel is used.)

SMILES * SUPERVISION

Keep your chin up and smile! Get the sleep you need so we can enjoy this time together, learning what is involved in putting on a good performance.

Let's be patient with others, and make sure you know when your performer is scheduled to be done so they won't be unattended.

Never take your child during a rehearsal without notifying us. We need to know all our performers are in safe hands, if not on stage. Following the Finale during show time all of our younger performers will be kept on stage for you to pick up.

Last day of regular classes: WEDNESDAY, DECEMBER 21

During the week, following our Holiday Showcase performance, we will be holding classes thru Wednesday, December 21st. Please join us so you can take advantage of getting your guaranteed 3 classes this month.

THINKING AHEAD...AND SAVE!

We will be preparing for yet another BIG SHOW, Our Rising Star Dance Production to be held on Saturday, June 24th, 2017 at the Redding Civic Auditorium. This will be a step up from what you have experienced during the Holiday Showcase. THINKING AHEAD...AND SAVE!
