## PRACTICE ON STAGE \* SMILE FOR THE CAMERA \* SHOWTIME

On Saturday, December 23<sup>rd</sup> at the Redding Civic Auditorium, all performers must attend the Finale Practice & Dress Rehearsal **IN FULL COSTUME** with their hair secured back in a bun.

We will start the day, with a **Finale Practice at 8:00 am where all performers will need to attend dressed in the costume of their final dance based on show order.**

After the Finale Practice...The **DRESS REHEARSAL** will resume in sequence of the show, with the exception of the Finale. During this time we will work on placement on and off stage while getting familiar with our surroundings. Once finished with all your dances you can be dismissed to rest up. We need all dancers to return again, 30 minutes prior to show time or no later than 5:30 pm.

In order to save you time, we will use the following rehearsal schedule. Ten time blocks, each containing five dance groups, have been assigned. We hope this will help you schedule your day, and minimize wait time. **Please always come a little early... Please plan on staying a little late... If we get behind on schedule we will catch up!** Let this be a time to learn the show order and line up backstage accordingly. During the performance, dancers must line up back stage five dances prior to their number. Arriving early to dress rehearsal will allow you to see these five dances, and better prepare you for the big show!

Parents accompanying younger students will be admitted at the back stage door with their ticket in hand & be wearing your badge if sitting with your child. All other spectators must enter through the front main doors, which open at 5:00 p.m. **SHOW TIME: Saturday, Dec. 23<sup>rd</sup> @ 6:00 P.M.**

**PRODUCTION VIDEO:** Redding Video Productions will be shooting a professional video of this year's event. Order your keepsake memory for only \$33.00 (DVD). There will be NO VIDEOS OR ELECTRONIC DEVICES ALLOWED DURING SHOWTIME. All personal taping will have to be taken during those practices prior to show time.

### LEND A HELPING HAND IF YOU CAN!

We are always very grateful to those parents that are willing to help out during the show. If we can count on you please let us know. **Class Parents** are needed to help keep the entire group in the proper waiting station back stage just prior to going on stage. All other parents will be asked to leave the back stage area. Sign-ups will be accepted & posted at the reception desk. Please notice all other areas of help needed when signing up!

### STAGE MAKE-UP & HAIRDO'S

*Let this be a time, that make-up & dressing up is part of the fun!*

When the bright lights come on, and you are not wearing enough blush & lip stick, you'll tend to get a washed out look. We want to remind you that lip stick should be bright in color and the blush should be exaggerated. Eye make-up can be used as well, if desired. Hair should be pulled out of the face, and always in a bun for all dancers. It looks best to have all bangs combed back. (This is done best when the hair is damp and some styling gel is used.)

### SMILES \* SUPERVISION

Keep your chin up and smile! Get the sleep you need so we can enjoy this time together, learning what is involved in putting on a good performance. Let's be patient with others, and make sure you know when your performer is scheduled to be done so they won't be unattended. Never take your child during a rehearsal without notifying us. We need to know all our performers are in safe hands, if not on stage. Following the Finale during show time all of our younger performers will be kept on stage for you to pick up.

**Last day of regular classes: FRIDAY, DECEMBER 22<sup>ND</sup>**
