

Dance Depot

HOLIDAY

SHOWCASE

SATURDAY

December 23, 2017

6:00pm

Redding Civic Auditorium

*Everybody spread the word!
We're gonna have a celebration.*
**"Let's dance and sing and make good
cheer, for the Dance Depot's Holiday
Showcase comes but once a year."**

As we start into our fall season getting to know one another, we will be thinking about how we can get a jump start on the spirit of Christmas. We will be presenting choreography to each class starting in October that will send a message of cheer. As we follow along with each step of the way, affordable costume ideas will be introduced to all. Each class will perform one dance in which a costume idea will need to be purchased or made up. We will keep these from being costly, to save from spending more than necessary at this time of year. Ordered costumes will not exceed \$35.00 and all other costume ideas will be accessorized and kept to a minimum. We will be posting a description of our costume choices once those decisions have been made. For those performing in more than (1) one dance, a suntan leotard should be worn as a basic under garment. Quick costume changing and a cover-up is a necessity.

**"Music and rhythm find their way into
the secret places of the soul"**

As we prepare for the opportunity to perform, we are gaining that confidence it takes to experience the magical moment of stardom. For the young child there are many lessons to be gleaned from participation in a formal program. They experience the satisfaction derived from being the source of pleasure for others. They ascend a stage with a certain amount of trepidation but leave it with a definite sense of accomplishment. Let's make certain that each child will walk away with their shoulders and head held high. Such times should leave lasting feelings of positive action and success.

"Practice being excited"

As the time passes, we can all look forward to this ONE special day. We can look forward to wrapping things up in one big day by attending a Dress Rehearsal, having your own professional photo session, if you choose, and ending the day experiencing the glimmering lights while being a part of Dance Depot's Holiday Showcase performance.

All performers will need to attend a full Dress Rehearsal on Saturday, December 23rd at the Redding Civic Auditorium. We will start the day, with a Finale Practice where all performers will need to attend. Following after in a block schedule the Dress Rehearsal will resume while working on stage in show order. Once finished, you will be given the time to rest up & return feeling like a real star.

"Joy to the World"

Students will have assigned seating while being a part of the audience. All must wear a cover-up! Due to their young age, one parent of Little Tykes & Tiny Tots students will be required to purchase a reserved ticket to sit with their child in the performers section.
