

## WOULD YOU HELP?

Let's work together and see how we can make a difference. We would be appreciative of your helping hands and the Parent Volunteer Sign-Up Sheet can be found in our waiting area.

**Be a Class Parent/Helper** for a class in need. We would like 1 - 4 helpers for each of our younger age groups. Be the first to sign up so you can be an important part of your child's rehearsals & during show time by guiding them back stage before it is their turn on stage.

**Class Parents/Helpers** are needed to keep the entire group in the proper waiting station back stage just prior to performing on stage. All other parents will be asked to observe from the audience & be prepared to meet your dancer in the dressing room for any changes. Remember, each parent is responsible for changing their performer. NOTE: Costume changes will need to be made in the Dressing Rooms back stage ONLY.

**The show must go on...**

## SHOW TIME ~ BEING PART OF THE AUDIENCE

We want this show to be a fun & rewarding experience for all. Performers will be allowed to sit in the auditorium during the show while following the required guidelines:

1. Sit in their assigned section.
2. Wear a cover-up.
3. Remain quiet when sitting in the audience.
4. Remember to go back stage 5 numbers prior to each of his/her dances.
5. Dancers **ages 5 & under on June 22** must be accompanied by **one adult/parent** in the student section. **Purchase this ticket ONLY \$12.00** through the Dance Depot to receive your assigned seat.

**PRODUCTION VIDEO:** Redding Video Productions will be shooting a professional video again this year. Order your keepsake memory for only \$30.00 (DVD) for 1 show & \$50 for BOTH (2) shows. There will be **NO VIDEOS OR ELECTRONIC DEVICES ALLOWED DURING SHOW TIME.**

All personal taping will have to be taken during those rehearsals prior to show time.

## STAGE MAKE-UP & HAIRDO'S

**Let this be a time, that make-up & dressing up is part of the fun!**

When the bright lights come on and you are not wearing enough blush & lip stick, you'll tend to get a washed out look. We want to remind you that lip stick colors should be bright in color and the blush should be exaggerated. Eye make-up can be used as well, if desired. Hair should be secured neatly in a **bun** for all dancers. It looks best to have all bangs combed/pinned back. (This is done best when the hair is damp and with some styling gel).

## SMILES ~ SUPERVISION ~ SNACKS

Keep your chin up and smile! Get the sleep you need so we can enjoy this time together, learning what is involved in putting on a good performance.

Bring snacks to keep the stomach happy. We can enjoy watching others put their best foot forward, as we wait for our turn. Let's be patient with others, and make sure you know when your performer is scheduled to be done so they won't be unattended.

Never take your child during a rehearsal without notifying us. We need to know all our performers are in safe hands, if not on stage. Following the Finale during show time, all of our younger performers will be kept on stage for you to pick up.

## LAST DAY OF REGULAR CLASSES:

**Redding ~ WED. JUNE 19<sup>th</sup>**  
**Burney ~ THUR. JUNE 13<sup>th</sup>**

Your full monthly tuition will be charged, while still giving the guaranteed class time in the month. Extra class time & stage rehearsals will compensate for the short month.
